# PRESS RELEASE

## **Bushmaster Firearms™ is Back!**

August 2021 {Carson City, NV} - The venerable Bushmaster™ brand has been a household name in firearms for many years. Today we are proud to announce, that ***Bushmaster™ is back!***

The preliminary offerings will focus on variants of the XM15-E2S™ model such as the QRC™ and M4 Patrolman's™. We look forward to supporting law enforcement, military markets and reestablishing export sales with these items. In the future, we look forward to producing the ACR® and models chambered in 450 Bushmaster™.

Bushmaster Firearms™ is excited to announce our return. We are not an affiliate with any other firearms manufacturing companies. In times to come, our array of products will provide Proven™ perfection to all.

“Bushmaster Firearms™ is proud to be focusing on quality, American made manufacturing, driven by a long history that Bushmaster™ has accompanied. We will be using innovating and improved engineering, advanced materials, as well as the latest technology. It will always be Bushmaster's™ mission to push our limits of performance, so that you can push yours.” CEO, Sun Naegele
