IMPULSE PREDATOR

Whether you're tracking fast-moving targets or you're ready to pull the trigger on the trophy you've been stalking, speed is the name of the game. The new Savage straight-pull rifle is instinctive and lightning-fast—and every inch of the rifle encompasses breakthrough technology for speed and precision. It's unlike anything on the market, and only Savage is bold enough to deliver it to the world in a high-octane, American-made way.

FEATURES:

- Straight-pull rifle
- Matte black aluminum receiver and carbon steel barrel
- Mossy Oak® Terra Gila Camo AccuStock® with AccuFit® adjustable length-of-pull and comb height
- User-adjustable AccuTrigger®
- Medium contour, barrel, threaded (5/8-24")
- Round knob bolt handle
- 10-round AICS Magazine with ambidextrous release
- 1-Piece 20 MOA rail machined into the receiver
